1.	Non-Pressure type Hot Water Boiler or Heater of 20 gallons capacity equipped with an electric heating element of 2,000 watts suitable for 230-volts A. C. supply. It should be of circular construction, white stove enamel finished and fitted with chromium plated fittings suitable for wall mounting ..	One
2.	Water Heater as in item 1 above but of 30 gallons capacity	One
3.	Water Heater as in item 1 above but of 50 gallons capacity	One

Note.—In the case of water heaters under items 2 and 3, the quotations should furnish the size of the heating element as well as the type of mounting required.
Quotations should give detailed description and illustrations of the heaters offered.

The firms should quote their best rates for delivery, f.o.r., Mysore, and also mention the exact period of delivery.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to select any tender as he may consider it expedient to accept.

Withdrawal from the quotation after it is accepted or failure to make the supply within the stipulated time will entail cancellation of the order and the purchase being made at the firm's expense elsewhere.

Supply on this tender will be subject to the general conditions of contract prevailing in the Department for local purchases.

R. RAMAKRISHNA,
Deputy Chief Electrical Engineer.

DEPARTMENT OF AGRICULTURE.

OFFICE OF THE AGRICULTURAL ENGINEER, BANGALORE.

Notification No. 3 of 1940-41, dated 3rd August 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Agricultural Engineer, up to 2 P.M. on the 22nd August 1940, for constructing a colony house at Chikmagalur.

2. An approximate estimate of quantities for the above work is given below. The quantities are not guaranteed. The work should be completed within one month from the date of acceptance of tender.

3. Earnest money of Rs. 40 in cash should be remitted under the Revenue Deposits, at the State Huzur Treasury, Bangalore or Chikmagalur Treasury, with a chellan duly filled in by the tenderer. The tender should be superscribed "Constructing a colony house at Chikmagalur." The tenders will be opened at 2-30 P.M. on 22nd August 1940.

4. Subject to formal sanction of the Director of Agriculture, the acceptance of the tender rests with the Agricultural Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

5. Within a week of the acceptance of the tender, the successful tenderer will be required to furnish a cash security of 5 per cent of the value of the work and to execute the usual contract bond in default of which his tender will be considered as cancelled and the security forfeited.

6. The name of the successful competitor, whose tender has been accepted will be notified in due course.

7. After the acceptance of successful tender, the earnest money deposited on the refused tenders will be arranged to be returned to the parties.

8. Rates once tendered will on no account be enhanced.

9. Quotation must be written in words as well as in figures.

10. The measurements checked by the Agricultural Engineer, will have to be accepted as final.
